

NIIGATA DENTAL JOURNAL

Volume 40, Number 1 2010

CONTENTS

Special articles

- The association between periodontitis and coronary heart diseases-Is there causal relation or mere association?
..... Kazuhisa Yamazaki, *et al.*.....1

Original articles

- Analysis of interaction effect between vascular endothelial growth factor and their receptors in human oral squamous cell carcinoma cell lines; mRNA expression levels for VEGF-A and VEGF-C
..... Shohei Kanemaru, *et al.*.....11
- The effects of timing of secondary alveolar bone graft on craniofacial morphology in patients with unilateral cleft lip and alveolus.
..... Yassin Hemoudi, *et al.*.....19
- Current Status of Nursing Care and Welfare Facilities for the Elderly and its Self Evaluation by Care Staff
..... Atsuko Suzuki, *et al.*.....29
- A study on health support in the health service rooms in correspondence course high schools
- Problems and actual conditions of health support in the health service rooms in correspondence course high schools with full-time Yogo teachers -
..... Akemi Masuda, *et al.*.....41
- The effectiveness of MI paste in preventing root caries in cancer patients with radiation xerostomia.
- A usage experience of MI paste for 6 months -
..... Kouji Katsura, *et al.*.....53

Clinical Reports

- Use of a provisional implant for full-arch rehabilitation: Report of four cases.
..... Hiroshi Tsurumaki, *et al.*.....59
- Experience gained from practice of oral care to a patient undergoing radiotherapy
-A study on the utility of oral care in patient's quality of life-
..... Fumiyo Ooiwa, *et al.*.....65
- A case Report of Lateral Cleft Lip and Palate Patient at 20years After Treatment
..... Hiromichi Ryoukawa.....73

Current topics

- A novel mutation generated a rare splice site in Osteogenesis imperfecta model mice
- an exception to the GT-AG rule in *Seal*-
..... Koichi Tabeta, *et al.*.....79
- e-learning now
..... Hiroshi Kobayashi.....83
- The relationship between anti-inflammatory / antioxidant nutrients and periodontal disease
..... Masanori Iwasaki, *et al.*.....85
- Clinical Evaluation of Treatment for TMD of First Four Years in Our Temporomandibular Joint Clinic
..... Yoshiaki Arai, *et al.*.....87

Minireview of thesis

- Tissue-engineered cultured periosteum used with platelet-rich plasma and hydroxyapatite in treating human osseous defects
..... Kanoko Yamamiya.....89
- Differential cell-specific location of Cav-1 and Ca²⁺-ATPase in terminal Schwann cells and mechanoreceptive Ruffini ending in the periodontal ligament of the rat incisor
..... Naoyuki Iizuka.....91
- Contrastive immunohistochemical profiles between CK17 and CK13 in carcinoma *in-situ* of the oral mucosa: their usefulness in the differential diagnosis of oral borderline malignancies.
..... Toshihiko Mikami.....93
